WYMÓWKI

Speak Up!

Speaking mentorship, assistance, guidance and positive action

"Better than a thousand days of diligent study is one day with a great teacher." – Japanese Proverb

Welcome

Speak Up! is a community dedicated to empowering and educating speakers of all genders, races or experience levels, connecting them with mentors and other resources needed to help them through what can be a difficult, daunting and discouraging experience.

We hope that by providing a welcome and safe environment filled with mentors experienced in various aspects, languages and technologies within the industry, we can help and encourage those whose voices and experiences
